STEFANO BORRACCINO

GAME DESIGNER

EDUCATION

Howest Hogeschool, Kortrijk

2023 - PRESENT

Digital Arts & Entertainment

Curriculum: Independent Game Production

Second Year: I passed all my courses at first try

- Developing a game for a client, taking the role of **PROJECT MANAGER** and **DESIGNER** in a semester long project.
- Took part in **2 GAME JAMS**.
- **DESIGNED** and **PROTOTYPED** several game concepts and turned one of them into a vertical slice.
- Produced natural scenes in **UNITY HDRP** and 3D animated assets using **PBR** workflow.
- Learned how to use **DESIGN PATTERNS** for coding, **ADVANCED C#** techniques, **SQL** and **HTTP**.
- Learned to **PLAN** the production and marketing of a game keeping track of costs and revenues.

First Year: I passed all my courses at first try

- Produced several 3D scenes using **MAYA** and **BLENDER**.
- Worked in a **TEAM** to develop a Deck Builder game using **UNITY**.
- Programmed games in **C#** using **MONOGAME** and **UNITY**.

IIS Evangelista Torricelli, Rome
